

Updated Home page Feedback

The screenshot shows the RCM Beyond Walls website. At the top, there's a navigation bar with links for Vision, Campus, Gallery, Timeline, FAQ, and a green 'Donate' button. The main header features the text 'ROSWELL COMMUNITY MASJID' and 'Beyond Walls: More Than a Building'. Below the header, a paragraph discusses the project's vision and mission. Two call-to-action buttons are present: 'Support the Project →' and 'Learn the Vision'. A quote from Imam Abdullah Jaber is displayed in a box: "This is us returning to who we are — an ummah that builds with dignity, excellence, and conviction." — Imam Abdullah Jaber, Roswell Community Masjid. To the right, there's a large image of the building complex and a smaller inset image. A badge at the bottom right indicates 'PURSUING Living Building Certification'.

- Use RCM logo
- Color scheme - go darker green - make it look more premium and elegant, less money green, keep the either color elements for secondary colors (lighter green, browns, golds)
- H1 and H2: use these
 - **Beyond Walls:**
 - **Building the World's First Living Building Challenge Masjid**
 - Faith in action. Innovation by design.
- CTAs:
 - Leave as is
- Quote - Leave as is
- Picture - i like the left and right but can you do a variation where the picture is in the background and text is in the foreground?

- Reduce the vertical white space between the Hero and the lower bar so its kinda visible before you scroll
- Remove 2027 and the target complete date visual on the right
 - Change it to say “1st LBC House of worship”

OUR VISION

Why “Beyond Walls”?

This project isn't just a building—it's a long-term institution designed to address the real challenges facing American Muslim communities: youth identity crises, mental health stigma, social isolation, and the need for belonging.

THE FIVE CORE PROMISES

Generational Legacy A next-generation incubator with youth spaces, mentorship programs, and innovation labs to secure our children's whole identity.	Institutional Resilience A permanent home built to last centuries—financially sustainable, structurally sound, and spiritually anchored.	Radically Inclusive Sanctuary A welcoming space for all—families, revert seekers, and neighbors—where everyone finds belonging.
Stewardship in Action A campus designed to be net-positive for energy and water, honoring the Islamic	Global & National Influence A model for Muslim communities worldwide—proving we can lead in sustainability, design,	Community-First Design Every space designed with input from families, youth, and elders to serve real community

- H1 - leave as is
- H2 - Change it to “Beyond Walls is more than a building—it's a global movement. A campus that influences our local community, inspires the global Ummah, and honors our planet.”
